DEQ NOTICE OF
TIER II DRAFT PERMIT
A Tier II application for an Air Quality Major Source Construction Permit has been filed with the Oklahoma Department of Environmental Quality (DEQ) by applicant, EnLink Midstream Services, L.L.C., P.O. Box 871, Tulsa, Oklahoma 74102-0871.
The applicant requests approval to install one (1) 4,735-hp Caterpillar G3616 TALE Engine, install a BTEX Combustor as a control on the existing dehydration unit, increase condensate throughput, install a flare as a control on the existing condensate tanks, and make various updates to emissions representations for other existing emission sources located at the Silver Compressor Station located in Calumet, Oklahoma 73014.
The legal description of the facility is Section 20, Township 12N, Range 9W in Canadian County, Oklahoma.
In response to the application, DEQ has prepared a draft construction permit (Permit Number: 2026-0504-C), which may be reviewed at El Reno Carnegie Library, 215 East Wade Street, El Reno, Oklahoma 73036, or at the Air Quality Division's main office (see address below). The draft permit is also available for review under Permits for Public Review on the DEQ Web Page: https://oklahoma.gov/deq.html.
This draft permit would authorize the facility to emit the following regulated pollutants: (TPY = Total Potential Emissions, tons per year) NOx 115.69 TPY, CO 110.56 TPY and VOC 89.79 TPY, which represents an overall increase of 16.31 TPY of NOx and 17.82 TPY of CO emissions and overall decrease of 3.4 TPY of VOC emissions.
The public comment period ends 30 days after the date of publication of this notice. Any person may submit written comments concerning the draft permit to the Air Quality Division contact listed below or as directed through the corresponding online notice. A public meeting on the draft permit may also be requested in writing at the same address. Note that all public meetings are to be arranged and conducted by DEQ staff.
Information on all permit actions including draft permits, proposed permits, final issued permits and applicable review timelines are available in the Air Quality section of the DEQ Web Page: https://oklahoma.gov/deq.html.
For additional information, contact Joshua Hills, ONEOK Inc., P.O. Box 871, Tulsa, Oklahoma 74102-0871, phone 918-588-7862, or contact DEQ at: Chief Engineer, Air Quality Division, 707 N. Robinson, Suite 4100, P.O. Box 1677, Oklahoma City, Oklahoma 73101-1677, phone (405) 702-4100.
